About the App

Facebook is the grandfather of all social media companies. A decade into social media culture has found Facebook the leader in online platforms of the Gen X and Baby Boomer Generations. It has changed its name to Meta and has relations to the metaverse, otherwise known as the virtual world.

Important Things to Note

Privacy	Safety	Content
<ul style="list-style-type: none"> • Follows COPPA Laws • App collects and sells data • App tracks your location • Requests access to personal information 	<ul style="list-style-type: none"> • Can be held liable for postings • Offers live video streaming to virtual strangers • Offers user anonymity • Allows direct messaging between strangers 	<ul style="list-style-type: none"> • Social networking site typically used by adults to maintain friendships with family and friends • Ability to be monitored by parents • Opportunity for adult content

How do I talk to my child/student?

The best way to be informed about your child/student's Facebook account is to ask them questions.

Here are a few conversation starters:

- Why do you like being on Instagram?
- How many followers do you have?
- How many people are you following?

How to Review and Reset

We have created a checklist of some of the most important things you should review with your child/student's account.

Reset Checklist

- Username
- Password
- Set account to private
