About the App

Reddit is a social news website and forum where content is socially curated and promoted by site members through voting. Registered users can submit content to the site including links, text, post, images, and videos.

Important Things to Note

Privacy	Safety	Content
<ul style="list-style-type: none"> • Turn off online status • Turn off appear in search results 	<ul style="list-style-type: none"> • Direct messaging is allowed by chat request and private messages. • Turn on NSFW mode and Safe browsing mode • Turn off autoplay media 	<ul style="list-style-type: none"> • Content can center around adult content and radicalization • Content can lead into dangerous subculture for teens

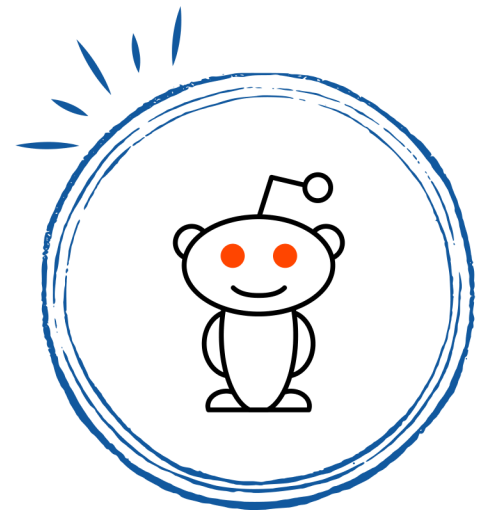

How do I talk to my child/student?

The best way to be informed about your child/student's Reddit account is to ask them questions.

Here are a few conversation starters:

- What do you like about being on reddit?
- Do you know how to block anyone that makes you feel uncomfortable?

How to Review and Reset

We have created a checklist of some of the most important things your should review with your child/student's account.

Reset Checklist

- Username
- Password
- Delete Unsafe Communities
