About the App

Roblox is an online game platform and game creation system. It allows users to program games and play games created by other users. Users have the ability to communicate with voice calls, text messages, media and files in private chats.

Important Things to Note

Privacy	Safety	Content
<ul style="list-style-type: none"> Allows users to be invited to private servers Parental controls can be enabled and protected by pin. 	<ul style="list-style-type: none"> "Hotbed" for predators Allows open communication between users, and ability to disclose personal information. 	<ul style="list-style-type: none"> Offers opportunities for exploitation, pornography, sexualization and objectification. Content is offers creative expression but unpredictable

How do I talk to my child/student?

The best way to be informed about your child/student's Roblox account is to ask them questions.

Here are a few conversation starters:

- Why do you like playing on Roblox?
- How many friends do you have?
- Do you chat with other players?
- Do you know the people you chat with?

How to Review and Reset

We have created a checklist of some of the most important things you should review with your child/student's account.

Reset Checklist

- Vague Username
- Know your friends
- Report or block unknown users
