About the App

Twitch is an interactive livestreaming service that focuses on video games, broadcasts, entertainment, sports, music, and more. You can watch streams of other players or host your own by creating a free account.

Important Things to Note

Privacy	Safety	Content
<ul style="list-style-type: none"> • Users should block 'whispers from strangers' in the chat. • Users may be asked to share information to random users asking for it, which is dangerous. 	<ul style="list-style-type: none"> • There is ability for live video stream between strangers that you do not know. • Some users may be posing to be people they are not. 	<ul style="list-style-type: none"> • There is no guarantee on content users may come across. Twitch contains adult explicit content, and content surrounding radicalization.

How do I talk to my child/student?

The best way to be informed about your child/student's Twitchaccount is to ask them questions.

Here are a few conversation starters:

- Why do you like being on Twitch?
- Who do you watch on Twitch?
- Do you ever host live streams?
- Have you encountered strangers on Twitch?

How to Review and Reset

We have created a checklist of some of the most important things your should review with your child/student's account.

Reset Checklist

- Safe username
- Strong password
- Block strangers trying to communicate.
