About the App

YouTube Kids is a platform where you can find music, podcasts, and other content created by users. This is a video sharing and streaming service where you can watch, share, like, and comment on videos. YouTube can be accessed by mobile app or YouTube.com.

Important Things to Note

Privacy	Safety	Content
<ul style="list-style-type: none">Users who upload content themselves need to remember that their videos are public, and refrain from telling where you live, go to school, work, etc	<ul style="list-style-type: none">Conversations happen in the 'comment' section, and adults may try to move conversations with kids to different secondary apps.	<ul style="list-style-type: none">Bullying is possible in the 'comment' section of videos.Some content may be too mature for younger users.

How do I talk to my child/student?

The best way to be informed about your child/student's Instagram account is to ask them questions.

Here are a few conversation starters:

- Why do you like being on YouTube?
- What videos do you like watching?
- Does watching these videos make you happy?
- Do you subscribe to any users?

How to Review and Reset

We have created a checklist of some of the most important things you should review with your child/student's account.

Reset Checklist

- ☐ Smart username (not your real name)
- ☐ Watch content that makes you happy
- ☐ Be kind in the comment section
